

Final Fall 2023 Final Exam Schedule

If you have three or more final exams scheduled on the same day, you are entitled to arrange an alternate exam time for the last exam or exams scheduled on that day. If you have two final exams scheduled to meet at the same time, you are entitled to arrange an alternate exam time for the later class offered that day or week.

Such arrangements must be made by the deadline to drop a class without your dean and instructor's permission in the tenth week of the semester. Students should make arrangements with the instructor of the affected class and are expected to provide evidence of these situations to qualify for exceptions.

Final exams typically are administered on the last meeting day of the special session for a class. No common exams may be scheduled for special session classes. Check with your department for class meeting times that do not fall within the standard meeting patterns listed below.

Final exam times are also posted in [MyCUInfo](#) on the [Finals Schedule](#) tab. For more information, see the [official final examination policy](#).
