## Art History

### Visual Arts Complex 330

303-492-6504

<http://www.colorado.edu/FineArts/>

Most fine arts studio courses are restricted to fine arts majors. This department follows the general registration and enrollment guidelines located under the heading "college of arts and sciences," above. This dept primarily uses resequenced wait lists for undergraduate courses and automatic wait lists for graduate courses. (see "wait lists" in the front of this schedule.) students may be administratively dropped for non-attendance of the first 2 classes. All labs meet the first week of classes. Graduate students needing to register for master's thesis, master's degree candidate, or doctoral thesis credits, consult the dept. Graduate-level courses are not open to undergraduate students without instructor's consent. Each course in this department has a course fee calculated at \$50 per course for lec and sem courses and \$50 per credit hour for studio courses. Refer to the tuition & fees section of this handbook.

## Art Studio and Non-Studio

### Visual Arts Complex 330

303-492-6504

<http://www.colorado.edu/FineArts/>

Most fine arts studio courses are restricted to fine arts majors. This department follows the general registration and enrollment guidelines located under the heading "college of arts and sciences," above. This dept primarily uses resequenced wait lists for undergraduate courses and automatic wait lists for graduate courses. (see "wait lists" in the front of this schedule.) students may be administratively dropped for non-attendance of the first 2 classes. All labs meet the first week of classes. Graduate students needing to register for master's thesis, master's degree candidate, or doctoral thesis credits, consult the dept. Graduate-level courses are not open to undergraduate students without instructor's consent. Each course in this department has a course fee calculated at \$50 per course for lec and sem courses and \$50 per credit hour for studio courses. Refer to the tuition & fees section of this handbook.

Students who earned less than a c- in the prerequisite course will be administratively dropped. Any student with 3 unexcused absences during the schedule adjustment period may be administratively dropped. It is the student's responsibility to drop all courses. Students will not receive credit for a lower-level course in foreign language instruction taken after credit has been given for a higher level course in the same language sequence. For example, students will not receive credit for fren 1010 after they have passed fren 1020. Graduate students needing to register for master's thesis, master's degree candidate, or doctoral thesis credits, consult the graduate adviser. Selected courses in this department have a course fee of \$20 (subject to change) in support of aitec. Refer to the tuition & fees section of this handbook.

Courses are also available in Norwegian, Scandinavian, and Swedish. Please see these listings in the schedule of courses. Any student with 3 unexcused absences during the schedule adjustment period may be administratively dropped. It is the student's responsibility to drop all courses. Students will not receive credit for a lower-level course in foreign language instruction taken after credit has been given for a higher-level course in the same language sequence. For example, students will not receive credit for GRMN 1010 after they have passed GRMN 2010. Independent study coursework is available. Consult the dept office. Selected courses in this department have a course fee of \$20 (subject to change) in support of ALTEC. Refer to the tuition & fees section of this handbook.

This dept primarily uses rescheduled wait lists, giving priority to History majors. (see "wait lists" in the front of this schedule.) This dept does not drop students for nonattendance. Most 3000-level hist courses are restricted to JR/SR History majors. Most 4000-level hist courses are open to Sophs/JRs/ SRs. Exceptions are noted next to the course listing. Hist 4020 is restricted to History majors. Registration in 4000-level hist courses is limited to A&S and JOUR students for the first 4 weeks of the registration period. Thereafter, these courses are open to students in other colleges as space allows. Enrollment in hist grad courses is restricted to hist grad students or with instructor permission.

Students who earned less than a c- in the prerequisite course will be administratively dropped. Any student with 3 unexcused absences during the schedule adjustment period may be administratively dropped. It is the student's responsibility to drop all courses. Students will not receive credit for a lower-level course in foreign language instruction taken after credit has been given for a higher level course in the same language sequence. For example, students will not receive credit for ital 1010 after they have passed ital 1020. Selected courses in this department have a course fee of \$20 (subject to change) in support of ALTEC. Refer to the tuition & fees section of this handbook.

Students will not receive credit for a lower-level course in foreign language instruction taken after credit has been given for a higher-level course in the same language sequence. For example, students will not receive credit for port 1010 after they have passed port 2110. Selected courses in this department have a course fee of \$20 (subject to change) in support of ALTEC. Refer to the tuition & fees section of this handbook
